

VEMA Board Meeting 11/15/18

Present

Gary Shiffrin            Tim Brown

Jim Robinson          Tony Hines

Mike Schmitt

Craig Smith            Glen Tarsha

Paul Winter

- Call to order- Gary Shiffrin
- Tim read the minutes from the last meeting, which were approved by the board.
- Paul gave an update on the treasurer's report. He distributed a spreadsheet detailing the Board's opening day balance along with all activity to date. It seems that we have sufficient funds to provide for refreshments the first Thursday of the month. This will coincide with the monthly 50/50 drawing.
- Glen stated that the membership book has already gone to the printer. It should be ready by Friday 11/23 so we may distribute to the membership by 11/29.
- A motion was proposed that the remaining tournament schedule be reviewed by the board. Mike will list the remaining schedule with the corresponding explanation of the game. This will give the board the opportunity to become familiar with the game in advance and discuss any questions/concerns they might have. Motion passed.

Ringer scoring was once again discussed for use in OTF. This is an effort to increase the pace of play during OTF eligible weeks. This system will utilize the best "per hole" scoring over 3 weeks. So that members will know their status, Mike will develop a page to keep members updated on their progress throughout the month. Hopefully we can start this system in January 2019.
