1. Sky Blue Championship "Challenger" and Green Championship "Classic".
2. Members must have played in 15 Vema rounds to qualify from July 1, 2020 thru April 22, 2021
3. All players are included who qualify.
4. 2 rounds with the lowest gross combined score being the Champion.
5. 50% of the first weeks' field advance to the second week.
6. 4 embroidered towels for the top four in the Challenger and 8 embroidered towels for the top 8 of the Classic field

I think these are the basic principles of the tournament. Please review so we are all on the same page if asked by any member.
