

## ***On the Fly Golf Tournament***

It will be played in quarters (3 month periods) starting in January, April, July and October.

There will be 4 flights for Green tee players, 2 flights for SKY players (A/B & C/D). A players flight is determined by his recorded flight at the START of the quarter. A players T-Box is determined by the recorded at the END of the quarter. This will be his flight for 'OTF' purposes during the complete quarter. In other words, you will stay in the flight you started with for all three months of play.

The cost is nothing. This event is brought to you by our sponsors and 50/50 participants.

All VEMA members are automatically entered in this tournament.

Prize money payouts will total \$300. This equates to \$50 per flight.

Monies will be paid by VEMA in pro shop/ restaurant credits.

First place \$30 and second place \$20. (Ties will split payout)

The three months will be added together to calculate the winner. The scores will be calculated using 'Ringer' scoring.

Your lowest eligible net score for each month will be used. Non-Handicapped event scores do not qualify for 'OTF'.

The Scores will be posted at the end of each week on our web site [vemagolf.com](http://vemagolf.com).

If you miss a month of play then you are out of the tournament.

All scoring will be done by Mike Schmitt and Chris Game.
