

On the Fly Golf Tournament

It will be played in quarters (3 month periods) starting in January, April, July and October.

There will be 4 groups for Green and Sky Tee players. A players group will be determined AFTER the 1st month of play has been completed and they will remain in that group for the remainder of the quarter. A players T-Box is determined by the tee box they end the quarter with in the event they change tee boxes during the quarter.

The cost is nothing. This event is brought to you by our sponsors and 50/50 participants.

All VEMA members are automatically entered in this tournament.

Prize money payouts will total \$400. This equates to \$50 per group.

Monies will be paid by VEMA in cash at the end of the quarter.

First place \$30 and Second place \$20. (Ties will split the payout)

The three months will be added together to calculate the winner. The net scores will be calculated using 'Ringer' scoring. Ringer scoring will use the best score for each hole for each month. Click on the detail for a player to see those calculations.

Your lowest eligible net score for each month will be used. Non-Handicapped event scores do not qualify for 'OTF'.

The Scores will be posted at the end of each week on our web site vemagolf.com.

If you miss a month of play then you are out of the tournament for that quarter.
