

TO PLAY IN THE CLUB CHAMPIONSHIP

All players who have at least six games throughout the season will be allowed to participate in the club championship. This club championship is for both a gross winner as well as a net winner.

Not only will there be winners for the club but there also will be both a winner and a second-place winner for each flight. Net scores will be used from both the front and back nine holes for flight winners.

The Club Championship will be a two day event. In case of rain there will be an additional day added into the club's calendar.
